

Figure 44 is a schematic diagram of a building section showing the roof and floor construction. The diagram illustrates the structural elements and the placement of the roof and floor slabs. The roof is labeled "Roof" and the floor is labeled "Floor". The diagram shows the structural elements and the placement of the roof and floor slabs. The roof slab is shown above the floor slab, and the floor slab is shown below the roof slab. The diagram also shows the location of the roof and floor joists.
